SUBJECT - ACQUISITION OF FIRE-WOOD DEPOT LOCATED AT THOPPA MODALIAR'S STREET, C & M STATION, BANGALORE, FOR THE USE OF SRI RAJA VENKATA RAMA SETTY TELUGU SCHOOL

With reference to the Government Gazette notification No L 9873/C M 6-51-27 dated 11th November 1951 authorising me to hear objection under Section 5 (A) Land Acquisition Act, on the above subject, I write to state that a notice under section 4 Land Acquisition Act was issued to the owner of the property calling for objections under Section 5 (A) Land Acquisition Act In response, Sri A N Mohanavelu Mudaliar (owner) the Lakshmi Electrical & Engineering Co , Coimbatore, has filed an application on 31st January 1952 requesting to drop the proposed acquisition on the grounds that he would be deprived of the amenity attached to his neighbouring building by reason of this adjacent open space He has further stated that he has purchased the land in question with a view besides to extend the present building etc On receipt of the said objection petition, I have inspected the spot on 11-2-1952 and found that the school badly requires some area of space such as that now proposed for acquisition, that no real damage will be caused to the petitioner who has been

p t o

allowing this place to be used for a charcoal depot and that therefore objection of the owner may be overruled

The draft final declaration statements both in English and Kannada in duplicate are prepared and sent herewith for favour of kindly arranging publication in the official gazette

Sir,

With reference to your Notification No LIPR 25/50-51 dated the 10th instant, I write to state that the land you propose to acquire is a part and parcel of my house No 26(26 A) in Thoppa Mudaliar Street and it is not possible for me to consent to the acquisition as I would be entirely deprived of the amenity attached to the building by reason of this adjacent open space I purchased the building with a view besides to extend the present building which is too small for my requirements and I hold no other property for my own occupation as I have to eventually settle down in Bangalore shortly It may also be stated for your information that ever since my purchasing the building, I have been persuading the tenant in occupation of the open space for his fuel depot to vacate the same But he had been representing that he is running a controlled Fuel Depot essential to the locality and that until he is enabled to secure a suitable place close by, he may be permitted to continue It is only on this consideration, I was not able to extend my building so far Further it was given to me by the previous owner out of consideration that I am related to him and that it belongs to one of the oldest and respectable families of the Station Apart from this, it is of great sentimental value to me and it is my earnest desire not to dispose or part with the land for any reason, as I was mainly actuated to purchase this building because of this piece of land attached to it

I request you therefore to drop the acquisition proceedings in the light of what I have stated above

Yours faithfully,

A N Mohanavelu

Re Acquisition of land adjoining no 26,Thoppa moodr Street,
Civil Station,Bangalore

My letter no LI PR25/50-51 dated 5th May,1952,the Commissioner,Corporation of the City of Bangalore,Bangalore,has informed me that he sent to the Government the draft for acquiring my land adjoining no 26,Thoppa Mudr Street,Civil Station,Bangalore after overruling my objections which I had filed with him

The land is my ancestral property and is part and particle of the house which stands in my name and it has remained in our family from our great grand-father's time

I have kept this vacant plot with the view to extend and remodel the present buildings The delay in construction was due t to the non-availablity of materials and the vacant plot being in the possession of a controlled fuel depot who cannot be evicted without obtaining an order from the house rent controller

The Commissioner,Corporation of the City of Bangalore, has acted arbitrarily and has not taken into considration all the representation that I have made

I pray that my view in the matter may be considered and I may be heard before considering the request of the Commissioner

This is the only property I am owning in Bangalore and it will be highly high-handed to acquire the same from me without my consent

As this is a legitimate grevience my view in this must be considered before passing any orders

Thanking you,
